YOU
KNOW

That the surest way for a young person to be-
come self-supporting is to get a thorough
knowledge of shorthand and typewriting. If
he learns bookkeeping all the better. In se-
curing this education he must not overlook
the important subject of writing and spell-
ing. We make a specialty of these essential
studies, and for only \$10.00 per person may
attend the day session or period of ten
months. Six months is found sufficient in
some cases, and in others only five months is
necessary, but we do not wish anyone to be
deceived in thinking that these cases are the
average, for they are not. You had better
count on ten months. If you are at work dur-
ing the day we will give you three months (12
weeks) for only \$10.00. The reduced rate
and is just one half the day rate.
A beautiful catalogue will be sent you on
application, but we prefer to have you call
and see us. A good time to call is after five
in the evening.
